In Re: Request for Special
Temporary Authority
KAQY-DT
Columbia, LA
BDSTA-20090116ACJ
Fac Id: 52046

Dear Licensee:

This is in reference to your request filed on January 16, 2009, for special temporary authority (STA) to commence early post-transition operation of KAQY-DT, Columbia, Louisiana, on Channel 11 on or after February 16, 2009.

After a thorough review of your technical specifications, we are persuaded that no interference is likely to occur from the proposed operation. If problems do arise, we expect them to be solved expeditiously and the Bureau reserves the right to require termination of the operation. We therefore conclude that the public interest would be served by the grant of this request.

With respect to radio frequency radiation (RFR), we expect compliance with Section 1.1307(b) of the Commission's Rules to be achieved.

Accordingly, the request for special temporary authority to commence early post-transition operation pursuant to the technical parameters set forth in File No. BPCDT-20080619AIX IS GRANTED.

Sincerely,

Clay C. Pendarvis
